

Dear Hiring Manager,

I am writing to apply for the position of QA Tester at Company. This position is of great interest to me, and I believe that my skills and experience make me the perfect candidate for the job.

As a QA Tester, I would be responsible for testing the functionality of software applications and ensuring that they meet the required standards. I would also be responsible for creating and executing test plans, as well as documenting and reporting on any bugs or issues that are discovered.

I have a strong background in quality assurance, and have gained valuable experience in both manual and automated testing. I am also highly proficient in using a variety of testing tools, including Selenium, Cypress, and JIRA. In addition to this, I have excellent communication and problem-solving skills, which I believe would be of great benefit in this role.

I am confident that I have the skills and experience required for this position, and I would be keen to put my skills to use in a new and challenging role. I am available to start work immediately, and would be happy to discuss my application further at an interview.

Thank you for your time and consideration.

Sincerely,

Gopala Krishna Yetukuri.
